**ABOUT DYF**

DYF is a mission-driven organization dedicated to improving the lives of children, teens, and families affected by type-1 diabetes. Founded in 1938, the organization is a leader in helping children and their families gain confidence and mastery in managing diabetes through weekend and week-long camps and educational programs that serve more than 1,500 individuals annually. DYF believes that every child with T1D, and their family members, should have the benefit of our lifesaving programs and works year round to raise the necessary funds to meet the demand for our services.

**POSITION PURPOSE**

To further the mission of Bearskin Meadow Camp through the delivery of diabetes education through games and activities that are safe, fun, and appropriate to participants’ ages and abilities.

**KEY RESPONSIBILITIES**

- Develop and deliver a diabetes education program that is appropriate for the ages and abilities of participants.
  - Write lesson plans that meet camp outcomes and the abilities of the participants.
  - Evaluate abilities of campers, staff, and volunteers.
  - Evaluate the success of the diabetes education program and make adjustments to curriculum as necessary.
- Participate enthusiastically in all camp activities; plan and lead those as assigned.
- Participate as a member of the camp staff team to deliver and supervise evening programs, special events, overnights, and other all-camp activities and camp functions.
- Assist in the planning of any special events.
- Assisting with deck counseling duties including midnight checking and sleep-in.
- All staff members are expected to form positive and professional relationships with all of the camp teams including counselors and program team members, kitchen team members, maintenance team members, and healthcare professional volunteers.
EQUIPMENT USED
