**ABOUT DYF**

DYF is a mission-driven organization dedicated to improving the lives of children, teens, and families affected by type-1 diabetes. Founded in 1938, the organization is a leader in helping children and their families gain confidence and mastery in managing diabetes through weekend and week-long camps and educational programs that serve more than 1,500 individuals annually. DYF believes that every child with T1D, and their family members, should have the benefit of our lifesaving programs and works year round to raise the necessary funds to meet the demand for our services.

**POSITION PURPOSE**

The Dietitian is responsible for participant education and carbohydrate counting for all meals and snacks at camp. The Dietitian supports the kitchen staff, medical team, counseling staff and participants with questions and concerns related to nutrition and food preparation.

**KEY RESPONSIBILITIES**

- Oversee meal service at camp.
  - Ensure that portions and corresponding carbohydrate counts are accurate and visible.
  - Work with the kitchen staff to maintain high standards in food preparation and service and adherence to USDA food service regulations.
  - Arrive in the kitchen no later than thirty (30) minutes prior to the start of each meal in order to calculate and label the portion sizes and carbohydrate counts for each food item.
  - Be available and present at each meal to help campers and staff in making food selections.
- Develop and implement age appropriate nutrition education sessions for all participants.
  - Create a program that explores and explains nutritional issues that relate to diabetes such as carbohydrate counting, portion control, and balanced meals.
STATEMENT REGARDING QUALIFICATIONS
