

FAMILY CAMP

Diabetes Youth Families supports those affected by type 1 diabetes so they may lead full, healthy, beautiful lives, NOW!

Bring the family to enjoy a week of recreational activities and diabetes education for children and teens (0-17) with T1D and their family members.

DATE: JULY 19-24 & JULY 26-31
LOCATION: BEARSKIN MEADOW CAMP

Set against the backdrop of the stunning Sequoia National Forest, Family Camp provides unparalleled diabetes support and community for the entire family.

ACTIVITIES INCLUDE:

- **Daytime Activities:** swimming, archery, sports, arts & crafts, and more.
- Hikes through the Kings Canyon and Sequoia National Parks.
- **Evening Activities:** campfires, camp dance, talent shows, and more.
- Education Sessions for parents led by diabetes professionals about the latest in diabetes technology, living with diabetes, mental health, and diabetes care.

A huge benefit of Family Camp is having full access to world-class health care professionals, endocrinologist, and diabetes care teams all week long!
