

Diabetes Youth Families supports those affected by type 1 diabetes so they may lead full, healthy, beautiful lives, NOW!

Offers a safe, comfortable, and fun away-from-home experience for kids ages 7-13 with T1D.

DATE: JUNE 27-JULY 1

LOCATION: BEARSKIN MEADOW CAMP, SEQUOIA NATIONAL FOREST

Chartered bus transportation is available from several locations for a \$100 fee per camper.

All DYF programs have **dedicated health care professionals** joining throughout each session to offer education, blood sugar checks, insulin lines at meals, carb counts, night checks, and overall support.

ACTIVITIES INCLUDE:

- **Daytime Activities:** swimming, archery, sports, arts & crafts, and more.
- Walks through the Sequoia National Park.
- **Evening Activities:** campfires, camp dance, talent shows, and more.
- Diabetes education sessions woven throughout.

Everyone sleeps under the stars on open-air decks at Bearskin Meadow Camp, so Kids Camp is a good option for those who have some experience with camping and feel comfortable with an all-outdoor environment.
